

AZALR TRAVELING TROPHY

1. Every ALR Chapter in Arizona that has a clubroom/bar in its Post can participate. (If the Post shares a building with the VFW, that is OK)
2. The initial location of the trophy will be ALR 87 (Bullhead City), which was the first ALR Chapter to offer to purchase the trophy.
3. Whichever Post has won the trophy, it must be prominently displayed in the Post's clubroom/bar so everyone can see it.
4. When 5 or more ALR members RIDE to a Post, they can claim the Trophy and bring it back to their Post. **AT LEAST 5 RIDERS HAVE TO BE FROM THE SAME ALR CHAPTER AND THEY HAVE TO BE ON BIKES (2-UP OK)**. In the event that more than one Chapter shows up at the same time to claim the Trophy (or more than one Chapter is present when the Post first opens for business), then the Chapter entitled to claim the Trophy that day will be decided by drawing cards (high card wins). If a Chapter has ridden more than 50 miles (distance from your home Post to the Post which has the trophy), for each 50.1 miles you have ridden you can draw an additional card. [Example 1: Post A has the trophy; it is a 48 mile ride from your Post to Post A; you can only draw one card. Example 2: Post A has the trophy; it is a 50.1 mile ride from your Post to Post A; you can draw two cards. Example 3: Post A has the trophy; it is a 100.1 mile ride from your Post to Post A; you can draw three cards. And so forth] Distance is counted from your home Post to the Post which has the trophy, as determined by Google Maps. *{As a matter of courtesy, it would be nice if each Chapter traveling would determine mileage using Google ahead of time so we don't have to do computations on the morning of the draw}*
5. Whenever the Trophy is transported, it must remain in its original packaging to insure that it is not damaged or broken.

6. If the Post with the Trophy is having a special event (poker run or other special event, regardless of whether it is an ALR event or Post event), or is a stop at someone else's Poker Run or Ride, the Traveling Trophy cannot be claimed that day.
7. As soon as an ALR Chapter claims the Traveling Trophy, the AZALR Chairman must be notified so he/she can notify all other ALR Chapters . {Of course, everyone needs to know where the Trophy is.}
8. The Chapter claiming the Traveling Trophy must also notify the AZALR Chairman of the hours that the Post which has claimed the Trophy is open, and whether or not the Post will be open at an earlier hour on the first day that the Trophy can next be claimed.
9. Once a Chapter claims the Trophy, it is "safe" for a 7 day period, and during that 7 days cannot be claimed by another Chapter. Day 1 starts the day AFTER the trophy is physically claimed by an ALR Chapter (to give time to get back to their Post and get it displayed the next day).
10. The Trophy can only be claimed when the Post is open for business, according to the "published times" which are which are sent out to all Chapters upon the Trophy being claimed by a new Chapter. (I.e., there can no longer be any "midnight steals").
11. A Chapter which has "lost" the Trophy cannot reclaim it until it has first been claimed by two other ALR Chapters.
12. ALR 5 will donate \$100 to the charity designated by the ALR Chapter which was won the traveling trophy the most number of times (NOT DAYS) between now and the 2015 Annual AZALR meeting.
13. ALR 87 now has the trophy, and it is "safe" for 7 days. The Convention doesn't end until Sunday, so it won't be back at Post 87 until Monday (June 30). The trophy is "safe" until July 8.
